

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1295 - SB 1414

March 25, 2017

SUMMARY OF BILL: Requires submission of certain evidence by agencies during contested cases concerning an occupational license renewal, reinstatement, or initial application.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The proposed language would apply to agencies who issue occupational licenses and are involved in contested cases of an occupational license renewal, reinstatement, or denial of an initial application.
- The agency will be required to admit evidence if it is provided in person or under oath or by sworn affidavit, or if it is commonly relied upon by a person licensed in the same profession as the aggrieved person.
- Requiring such submission of evidence will not alter how such contested cases are currently conducted; as a result, there will be no significant increase in state expenditures.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
